PROFILE

Recent B.Tech. Information Technology graduate seeking an entry-level Software Engineer position. Eager to apply academic knowledge in a professional environment, contribute to software development initiatives, and grow through continuous learning and collaboration.

SKILLS

Programming Languages Python, Java

Database MySQL

Web Development HTML5, CSS3, JavaScript

Microsoft Office Ms Excel, PowerPoint, Ms Word

Core Concepts Data Structures & Algorithms (DSA), OOP, Computer Networks, Operating Systems, SDLC

INTERNSHIPS

Full Stack Development Intern

Jan '25 — Mar '25

Remote

- Completed structured training in full-stack web development, covering HTML5, CSS3, JavaScript, Git, GitHub, and SDLC concepts.
- Learned responsive web development through guided tutorials, coding exercises, and practical assignments.
- Practiced version control using Git and GitHub while completing hands-on learning activities.
- Performed testing and debugging exercises to strengthen understanding of software development and application maintenance.
- Applied full-stack development concepts through practical assignments and self-paced learning activities during the internship.

TECHNICAL PROJECTS

Transformer - based Melanoma Detection using Deep Learning [Link](#)

Dec '25 — Mar '26

- Developed a Vision Transformer (ViT)-based deep learning model for binary classification of benign and malignant skin lesions using a dermoscopic image dataset.
- Preprocessed and augmented 2,000+ dermoscopic images to improve model generalization and training performance.
- Trained the model for 25–50 epochs using PyTorch and Vision Transformer (ViT) architecture for binary image classification.
- Evaluated model performance using Accuracy, Precision, Recall, F1-score, and Confusion Matrix.
- Applied computer vision and deep learning techniques to achieve 94% classification accuracy for skin lesion classification.

EDUCATION

Bachelor of Technology in Information Technology, KKR & KSR Institute of Technology and Sciences (GPA: 9.10)

Oct '22 — May '26

Guntur, India

Intermediate, Sri Chaitanya Jr.College (GPA: 90%)

'20 — '22

Guntur, India

SSC, AP Model School (GPA: 97%)

'19 — '20

Durgi, India

CERTIFICATIONS

Java Full Stack, Wipro TalentNext

Cloud Computing, NPTEL

Python Foundation Certification, Infosys Springboard

Software Engineering Job Simulation, Forage (Commonwealth Bank)

SQL and Relational Databases 101, IBM Skills Network

VOLUNTEERING

Placement Coordinator, KKR & KSR Institute of Technology and Sciences

Served as a placement coordinator, coordinating campus recruitment activities with 50+ companies and student participants to ensure the smooth execution of placement drives.
